

# WHAT'S ON AT BODMIN KEEP

Monday 24 - Friday 28 October | 10am-4pm

## Uniform Trail Mon-Fri

A soldier's uniform is an important part of their identity. Learn more about military uniform through our interactive- themed trails. Ask for a map!

## Medal and Poppy Making Tues

Sewing was a skill adopted by many soldiers during WW1 and WW2. While these skills were handy for repairing uniforms, some soldiers were encouraged to take up sewing and needlework as part of their rehabilitation.

Come and have a go at sewing and create a medal or Remembrance poppy brooch to take home.

## Helmet Making Wed

Could you design and create a protective helmet? Join us in our helmet making workshop to make your own and test out how strong they really are.

## Peg Soldiers Thurs

During the Second World War, resources were limited so many children created their own toys. Create your own 'peg soldiers' to take home.

## Object Handling Tues, Wed, Thurs

To learn more about some of the fascinating artefacts we have here at the Keep, join Fran, our trainee curator for a session of handling objects and trying on different uniforms.

Tuesday 25 October 10am-4pm

# MEDAL AND POPPY MAKING

Sewing was a skill adopted by many soldiers during WW1 and WW2.

While these skills were handy for repairing uniforms, some soldiers were encouraged to take up sewing and needlework as part of their rehabilitation.

Come and have a go at sewing and create a medal or Remembrance poppy brooch to take home.
