Maths	<p>Use this clip to help you practise your times tables.</p>				
Ongoing	<p>https://www.bbc.co.uk/bitesize/topics/zqbg87h</p> <p>https://whiterosemaths.com/homelearning/</p> <p>Continue with the planning from wherever you have reached.</p>				
PE/Activity	<p>Here is a link to some a fun song – make sure you concentrate, it’s quite tricky!</p> <p>https://youtu.be/xqwKxJVAWfc</p> <p>If you can’t access the internet and the weather is fine, try setting up an obstacle course. Can you make it include something to go over, under, around, through, something you have to do on your tummy and something to balance on? Ask someone to time you – how quickly (and safely) can you do your course?</p>				
Topic	<p>Leaf Hunt When you go for a walk, or you are in your garden, see how many different leaves can you find? What is the same about them? What is different? Which words would you use to describe them? Being very careful, collect some leaves to press and use to make a picture tomorrow</p>	<p>Art Using the leaves you collected yesterday, can you create a picture? Think about the leaves you use – what would large ones be good for? Could you layer the leaves to add interest to your collage? If you are allowed to, take a photograph and email it</p>	<p>Science Now it’s time to learn about plants that we can eat. Talk with a grown up about the plants that we can eat. Here are some ideas to help you. Carrots, lettuce, tomatoes, onions, apples, strawberries, asparagus,</p>	<p>Design and Technology Learn to make something to eat using plants. You could</p> <ul style="list-style-type: none"> • Make a smoothie with fruit • Make a salad • Help someone cook the vegetable for tea 	<p>It’s Friday afternoon – have the afternoon off. Or you could send an email to Mrs Harrison or Mrs Powdrill – we would love to hear from you. aharrison@blislandprimary.co.uk cpowdrill@blislandprimary.co.uk</p>

	<p>Can you find all of the leaves on the sheet? You can use the leaf dial or the leaf identification sheet.</p>	<p>to us. We would love to see your pictures!</p>	<p>broccoli, cauliflower, potato, corn on the cob, celery...</p> <p>Ask the grown up to help you work out which part of the plant you are eating.</p> <p>Draw some of the plants on the sheet or stick the pictures</p>	<ul style="list-style-type: none"> • Make a pizza with peppers or pineapple... or something else! <p>Or any other ideas you can think of!</p>
