Literacy	<p>What is your favourite book? Do you like books that are funny? Do you like books that have animals in?</p>				
The magic of reading	<p>Today you need to find your favourite book and write the following:</p> <ul style="list-style-type: none"> <li>• The title</li> <li>• A sentence about the book – remember to use your fred fingers to help with spelling!</li> </ul> <p>Where is your favourite place to read? Is it curled up on the sofa or wrapped up in bed? Do you share books with a grown up, on your own or with a brother or sister?</p> <p>This week you are going to be building your very own Reading Den!</p> <p>Today you are going to begin planning your den. When planning your den, you need to think about:</p> <ul style="list-style-type: none"> <li>• Where do you want to make your den?</li> <li>• What materials can you find around the house to use?</li> <li>• How big will your den be? Will it be just for you or will you make it for more than one person?</li> <li>• How strong does your den need to be? How can you make it so that it doesn't fall over?</li> </ul> <p>When you have made your photo, take a photo of it and get someone to put it on Tapestry so we can see it, too!</p>				
Maths	<p>You could use the pdf documents Building Towers or Collecting for your maths this week.</p>				
Ongoing	<p>If you prefer, you can use the White Rose planning.</p> <p><a href="https://whiterosemaths.com/homelearning/">https://whiterosemaths.com/homelearning/</a></p>				
PE/Activity	<p>Here is Oli Jones who used to work with us at Blisland. Have a go at his workout! <a href="https://www.youtube.com/watch?v=y1HQ633wFeQ">https://www.youtube.com/watch?v=y1HQ633wFeQ</a></p> <p>This is a link to Cosmic Kids yoga: <a href="https://www.cosmickids.com/category/watch/">https://www.cosmickids.com/category/watch/</a></p> <p>You can watch this on a phone, ipad or computer. There are relaxation clips, shorter and longer yoga clips and funny dance clips. Just choose the length of the session or scroll down the page to find something you fancy. The short mindfulness sessions (5 mins +) really help if you need to chill out or are anxious.</p>				

	<p><b>If you can't access the internet</b> and the weather is fine, try setting up circuit stations in the garden such as skipping, star jumps, ball bounces, sprints, burpees. Then try and increase the number of repetitions you do at each station. See how you improve with more practise!</p>
Topic	<p><i>Now this week is the final week before halfterm so when you have finished your little topic we thought you would like to choose something a little different. This link will take you to a website with lots of ideas. Have a look through and choose which one you would like to do. Mrs Harrison is going to try Ice Cave Balloons – Will it work? Wait and see!</i></p> <p><a href="https://abcdoes.com/home-learning/">https://abcdoes.com/home-learning/</a></p>
