

Home Learning Kensa Class 6/7/2020

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	Live phonics lessons can be found online on Ruth Miskin's RWI Youtube channel Red Group set 2 sounds <ul style="list-style-type: none"> - Set 2 Speed Sounds and Word Time 10.00 am - Set 2 Spelling 10.15am Pink group & Grey group set 3 sounds <ul style="list-style-type: none"> - Set 3 Speed Sounds and Word Time 10.30 am Set 3 Spelling 10.45 am				
Literacy	Keep learning some of the spellings off the list sent earlier. We have added the list to this week's blog in case you can't find it! Spellings can be learned in lots of ways – have a look on Pinterest for 'KS1 fun ways to learn spellings'		This should be your final week using the Talk for Writing materials. (Next week we will be keeping a diary.)		
Maths	Chant 2, 5, 10 Times tables (<i>see snappy maths document on class page</i>) You could also dance and sing along to BBC super movers times tables songs which we use in school, found here: https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-2-times-table-with-bridget-the-lioness/zrrx92p https://whiterosemaths.com/homelearning/				
PE/Activity	This is a link to Cosmic Kids yoga: https://www.cosmickids.com/category/watch/ You can watch this on a phone, ipad or computer. There are relaxation clips, shorter and longer yoga clips and funny dance clips. Just choose the length of the session or scroll down the page to find something you fancy. The short mindfulness sessions (5 mins +) really help if you need to chill out or are anxious. If you can't access the internet and the weather is fine, try setting up circuit stations in the garden such as skipping, star jumps, ball bounces, sprints, burpees. Then try and increase the number of repetitions you do at each station. See how you improve with more practise!				
Topic From Mr Bailey	This week we are going to be exploring Minibeasts. For today's activity we are going to go exploring for	Today we are going to be Fact Finders and using one of the minibeasts that we discovered yesterday,	Today we are going to be exploring some microhabitats that minibeasts live in. Begin by reading through the Minibeast Microhabitat Activity.	To do we are going to come up with our own minibeast. Before we start watch the video below to remind yourself about minibeasts. https://www.bbc.co.uk/bitesize/clips/z44g9j6	Today, we are going to have fun creating a minibeast out of recycling and

	<p>minibeasts in our gardens.</p> <p>Readthrough the What are minibeasts?</p>	<p>we are going to find some fun facts.</p> <p>For this activity use the Minibeasts Fact Finders</p>	<p>After you have read this, we are going to explore what microhabitats we can find. In your garden can you find any microhabitats? Once you do, can you draw a picture of the microhabitat you have found. You could take this further when you go for a walk in a wooded area or at the beach to see if what microhabitats you can find there.</p>	<p>Using the Minibeast Creator Activity, have a go at creating your very own minibeast.</p>	<p>materials that we have at home.</p> <p>For an example of a minibeast that Mr Bailey made, read the 'Creating a Minibeast'.</p>
